## Helping Children Who Have Witnessed Domestic Violence (For the perpetrator)

This 12-week class is designed to help understand the affects that domestic violence has on children and the family. Learn ways to talk and listen to your children about their experience of domestic violence. Understand how domestic violence affects you as a parent. Learn to work on safe nonviolent relationships with your child's father or mother.

***For Parents with Children of  
All Ages***

### Strengthening Families

The strengthening families program for Parents and Youth 10-14 years is a nationally recognized, science based, best practices program, developed by Iowa State University that serves families with preadolescents and young adolescents.

# Winter 2012

## Love and Logic

Do you want to raise kids who are self-confident, motivated, and ready for the "real" work? Take advantage of this win-win approach to parenting. Your kids will win because they'll learn responsibility and the logic of life by solving their own problems. You'll win because you'll establish healthy control-without resorting to anger, threats, and nagging or exhausting power struggles. Parenting with Love & Logic puts fun back into parenting!
