

# RENT & MORTGAGE RELIEF

COVID-19 Assistance

## IMPACTED BY COVID-19? WE CAN HELP YOU NOW!

If you are a Kitsap County resident and been impacted financially by COVID-19, you may be eligible for rent or mortgage assistance for up to 3 months on overdue or currently owed rent or mortgage payments.

## “BUT I HAVEN’T QUALIFIED FOR HELP IN THE PAST...”

Due to the COVID-19 pandemic and the Federal CARES Act, a number of programs are available to individuals who may not have traditionally qualified for help in the past. If you have ANY reduction of income in 2020, a loss of job, or had trouble paying your rent or mortgage, call us for a free screening!

## “HOW DO I GET ASSISTANCE?”

Getting help is easy! Kitsap Community Resources (KCR) has Housing Solutions Center staff ready and waiting to help you determine if your changes in income qualify you for assistance. If you can answer “YES” to the three questions below, contact one of our offices TODAY!
