

The Nurtured Heart Approach

Intensive Training

This summer, we are offering 2 classes to better meet your schedule. Each class is filled with information on how to help build the inner wealth[®] of the children and people in your life. Whether you are a parent, teacher, or provider, you will hear how the NHA can transform, even the most intense behaviors, into greatness.

Each class includes two 3 hour sessions filled with information, success stories, and deep discussions of The 3 Stands[®], the foundation of the NHA.

"When you change the way you look at things, the things you look at change".

-Wayne Dyer-
