

Please Note:

All of our Energy programs are subject to the availability of funds. Energy assistance applications are processed in the order of complete files received.

Due to this process, there is a possibility that the funding will run out before your paperwork is due.

If there is no funding available before your paperwork is due, we will attempt to notify you as far in advance as possible.

We apologize for any hardship this may cause.

**Sincerely,
Kitsap Community Resources
Energy Department**
